

COVID-19 Screening Questionnaire for all students before attending class.

Students MUST not attend class if they answer YES to any of the following questions:

1. Are you or anyone in your household suffering any symptoms associated with Coronavirus?
<https://www2.hse.ie/conditions/coronavirus/symptoms.html>
2. Are you or anyone in your household suspected of having Coronavirus?
3. Have you or a household member travelled outside of Ireland in the last 14 days?
4. Have you been advised by your GP, health official or authority to self isolate?

Are you or anyone in your household 'shielding' due to immunosuppression or other health risk? You MUST consult your GP/Consultant for advice before attending.

If within 48hrs of attending class, you or any member of your household is diagnosed with COVID-19, you MUST inform DADA immediately to allow for contact tracing.

NOTE: When attending class, please adhere to our on-site standard processes/procedures regarding infection control, i.e. social distancing, hand washing/hand sanitising and general coughing/sneezing etiquette.
